ShopEase

Customer Support Knowledge Base

Official Policy & FAQ Document

Version 1.0 | June 2026

---

1. Order Management

1.1 How to Place an Order

Customers can place orders on ShopEase through our website (www.shopease.com) or mobile app. Follow these steps:

1. Browse or search for products using the search bar or category filters.
2. Add items to your cart by clicking the 'Add to Cart' button on the product page.
3. Review your cart and proceed to checkout.
4. Enter your shipping address and select a delivery option.
5. Choose a payment method (UPI, Credit/Debit Card, Net Banking, or Cash on Delivery).
6. Confirm your order and you will receive an order confirmation email and SMS within 5 minutes.

1.2 Order Confirmation

After placing an order, you will receive:

- An order confirmation email with your Order ID within 5 minutes.
- An SMS with the order summary on your registered mobile number.

- Access to track your order in real-time via the 'My Orders' section in the app or website.

If you do not receive a confirmation within 10 minutes, please check your spam folder or contact our support team at support@shopease.com.

1.3 Modifying an Order

Orders can be modified within 1 hour of placement, provided the order has not yet been packed or dispatched. Modifications include:

- Changing the delivery address (within the same city only).
- Updating the quantity of items (subject to stock availability).
- Adding or removing items from the order.

To modify an order, go to 'My Orders', select the order, and click 'Modify Order'. If this option is not available, the order has already been processed and cannot be modified.

1.4 Order Cancellation

When can you cancel?

- Before dispatch: Full cancellation is allowed anytime before the order is dispatched from our warehouse.
- After dispatch: Cancellation is not possible once the order has been shipped. You may initiate a return after delivery.
- Digital products and gift cards cannot be cancelled once the order is confirmed.

How to cancel?

7. Go to 'My Orders' in your account.
8. Select the order you want to cancel.
9. Click 'Cancel Order' and select a cancellation reason.
10. Submit the cancellation request.

Refunds for cancelled orders are processed within 3-5 business days to the original payment method.

2. Shipping & Delivery

2.1 Delivery Timeframes

Estimated delivery times depend on your location and selected delivery option:

- Same Day Delivery: Available in Mumbai, Delhi, Bangalore, Hyderabad, Chennai, and Pune for orders placed before 12:00 PM.
- Express Delivery (1-2 business days): Available in major metro cities and Tier-1 towns.
- Standard Delivery (3-5 business days): Available across India including Tier-2 and Tier-3 cities.
- Remote Area Delivery (5-10 business days): Applicable for PIN codes flagged as remote or difficult-access zones.

2.2 Order Delay Reasons

ShopEase aims to deliver all orders on time. However, delays may occasionally occur due to the following reasons:

Logistics & Operational Delays

- High order volume during sale events (e.g., ShopEase Big Sale, festive seasons like Diwali, Christmas).
- Warehouse processing backlogs due to increased demand.
- Last-mile delivery partner unavailability in certain zones.
- Incorrect or incomplete delivery address provided by the customer.

External Factors

- Natural disasters such as floods, cyclones, or earthquakes affecting transport routes.
- Extreme weather conditions (heavy rainfall, fog, snowfall) disrupting road or air transport.
- Public strikes, bandhs, or road blockages in the delivery region.
- Government-imposed lockdowns, curfews, or restrictions.
- Customs clearance delays for international shipments.

Product-Specific Delays

- Items that are pre-ordered or made-to-order may have longer processing times.
- Products sourced from international sellers may require additional transit time.
- Large or heavy items requiring special handling and dedicated delivery personnel.

If your order is delayed beyond the estimated delivery date, you will receive an automated notification via email and SMS. You can also track your order status in 'My Orders'.

2.3 Delivery Charges

- Free delivery on all orders above Rs. 499.
- Rs. 49 delivery fee for orders below Rs. 499.
- Same Day Delivery: Rs. 99 additional charge.
- Express Delivery: Rs. 59 additional charge.
- ShopEase Plus members enjoy free express delivery on all orders.

2.4 Tracking Your Order

You can track your order in the following ways:

- Via 'My Orders' on the ShopEase app or website using your Order ID.
- Via the courier partner's tracking page using the tracking number sent in your shipment notification email.
- Via SMS updates sent to your registered mobile number at each major delivery milestone.

Tracking information is updated within 24 hours of dispatch. If your tracking link is not working, please wait 24 hours or contact support.

2.5 Failed Delivery Attempts

Our delivery partners make up to 3 delivery attempts:

11. First attempt: On the estimated delivery date.
12. Second attempt: The following business day.
13. Third attempt: One more business day after the second attempt.

If all 3 attempts fail, the package is returned to our warehouse. A full refund will be initiated within 5-7 business days. You may also reschedule delivery by contacting support before the package is returned.

3. Returns & Refunds

3.1 Return Policy Overview

ShopEase offers a hassle-free return policy. Most products can be returned within 7 days of delivery. The return window depends on the product category:

- Electronics & Appliances: 7 days return window.
- Clothing & Footwear: 14 days return window.
- Books & Stationery: 7 days return window (only if damaged or incorrect item received).
- Grocery & Perishables: No returns accepted unless item is damaged or expired on delivery.
- Beauty & Personal Care: 7 days return window (only if sealed and unused).
- Digital Products & Gift Cards: Non-returnable.

3.2 Return Eligibility Conditions

To be eligible for a return, the item must meet the following conditions:

- Item must be in original, unused condition with all tags and labels intact.
- Original packaging, accessories, and invoice must be included.
- Return request must be raised within the category-specific return window.
- Item should not be damaged due to misuse, negligence, or normal wear and tear.
- Serial number or IMEI (for electronics) must match the original product delivered.

3.3 How to Initiate a Return

14. Log in to your ShopEase account and go to 'My Orders'.
15. Select the delivered order containing the item you want to return.
16. Click on 'Return Item' and choose the item(s) to return.
17. Select a return reason from the dropdown (e.g., Defective Product, Wrong Item, Size Issue, Changed Mind).
18. Upload photos of the item if returning due to damage or incorrect product.
19. Choose a pickup date (within 3 business days).

20. Our delivery partner will pick up the item from your address. Keep the item packed and ready.

3.4 Refund Policy

Refund Timelines

- UPI / Wallets: Refund within 24-48 hours of return pickup.
- Credit / Debit Card: Refund within 5-7 business days (depends on bank processing time).
- Net Banking: Refund within 3-5 business days.
- Cash on Delivery (COD): Refund credited to your ShopEase Wallet within 24 hours, or to your bank account within 7-10 business days.
- ShopEase Wallet: Instant refund to wallet once return is quality-checked.

Partial Refunds

In some cases, a partial refund may be issued:

- Item is returned with missing accessories or damaged original packaging.
- Product shows signs of use beyond what was described in the return request.
- Only some items from a bundled order are returned.

3.5 Non-Returnable Items

The following items cannot be returned under any circumstances:

- Perishable goods (food items, flowers, fresh produce).
- Customised or personalised products (engraved items, custom prints).
- Digital products, software, and gift cards.
- Innerwear, swimwear, and personal hygiene products (for health and safety reasons).
- Hazardous materials and flammable liquids.
- Items marked as 'Non-Returnable' on the product listing page.

4. Payments

4.1 Accepted Payment Methods

- UPI: Google Pay, PhonePe, Paytm, BHIM, and all UPI-enabled apps.
- Credit Cards: Visa, MasterCard, American Express, Rupay.
- Debit Cards: All major banks supported.
- Net Banking: All major Indian banks.
- ShopEase Wallet: Preloaded wallet available for all registered users.
- Cash on Delivery (COD): Available for orders up to Rs. 10,000 in select PIN codes.
- EMI: Available on Credit Cards and select Debit Cards for orders above Rs. 3,000.

4.2 Payment Failure

If your payment fails during checkout:

- Do not retry immediately — wait 5 minutes and check if the order was placed in 'My Orders'.
- If the order was not placed, the payment will be automatically refunded to your source account within 5-7 business days.
- If money was deducted but no order was created, contact support with your transaction reference number.
- Common reasons for payment failure: incorrect card details, bank server downtime, OTP timeout, insufficient balance.

4.3 Invoice & GST

- A GST-compliant invoice is generated for every order and sent to your registered email.
- You can download invoices from 'My Orders' anytime.
- For Business GST claims, ensure your GSTIN is saved in your account profile before placing the order.

5. Customer Support

5.1 How to Contact Support

- Live Chat: Available 24x7 on the ShopEase app and website.
- Email: support@shopease.com (response within 24 hours).
- Phone: 1800-XXX-XXXX (Toll Free) — Monday to Saturday, 9 AM to 9 PM IST.
- Help Center: Available at help.shopease.com with self-service articles and FAQs.

5.2 Escalation Policy

If your issue is not resolved at the first level, you can escalate:

21. Level 1: Chat or email support (initial contact).
22. Level 2: Request for senior agent review via email at escalations@shopease.com.
23. Level 3: Formal complaint submission via the Grievance Officer portal at shopease.com/grievance.

All escalations are acknowledged within 24 hours and resolved within 7 business days.

5.3 Common FAQs

Q: I received a damaged product. What should I do?
A: Do not use the product. Take photos of the damaged packaging and product. Raise a return request from 'My Orders' within 48 hours of delivery, select 'Damaged Product' as the reason, and upload the photos. A replacement or full refund will be arranged within 3-5 business days.
Q: I received the wrong item. What should I do?

A: Go to 'My Orders', select the order, click 'Return Item', and choose 'Wrong Item Received'. Upload photos of the item and the packaging label. We will arrange a pickup and send the correct item at no additional charge, or issue a full refund.

Q: My order is showing delivered but I have not received it.

A: First, check with neighbours or your building security in case the package was left with them. If still not found, report it within 48 hours of the delivery status update by contacting support. We will raise an investigation with our delivery partner and resolve it within 3-5 business days.

Q: How long does it take to get my refund?

A: Refund timelines depend on your payment method. UPI/Wallet refunds are processed within 24-48 hours. Credit/Debit cards take 5-7 business days. Net Banking takes 3-5 business days. COD refunds go to your ShopEase Wallet instantly or to your bank account in 7-10 business days.

Q: Can I change my delivery address after placing the order?

A: Address changes are only possible within 1 hour of placing the order and before the order is packed. Go to 'My Orders', select the order, and click 'Modify Order' to update the address. Changes are restricted to the same city.

Q: What if I am not available at home during delivery?

A: Our delivery partner will attempt delivery 3 times. You will receive a call before each attempt. You can also reschedule delivery through the tracking link sent to you, or authorize someone at the delivery address to receive the package on your behalf.

Q: Is Cash on Delivery available for my PIN code?

A: COD availability depends on your PIN code and order value (maximum Rs. 10,000). You can check COD availability by entering your PIN code on the product page or during checkout. COD is not available for certain high-value electronics and perishable items.

Q: How do I track my order?

A: You can track your order in 'My Orders' section using your Order ID. You will also receive SMS and email updates at each delivery milestone. If your order has been dispatched, a tracking number for the courier partner is provided in the shipment notification email.

6. Account & Membership

6.1 ShopEase Plus Membership

ShopEase Plus is our premium membership program offering exclusive benefits:

- Free Express Delivery on all orders (no minimum order value).
- Priority customer support with dedicated queue.
- Exclusive early access to sales and new product launches.
- 5% cashback on every purchase credited to ShopEase Wallet.
- Extended return window (30 days instead of standard 7-14 days).

ShopEase Plus is available at Rs. 299/month or Rs. 999/year. Cancel anytime; unused days are refunded on annual plans.

6.2 Account Security

- Always use a strong, unique password for your ShopEase account.
- Enable Two-Factor Authentication (2FA) via the Security Settings in your account.
- ShopEase will never ask for your password, OTP, or full card details over phone or email.
- Report any suspicious activity immediately at security@shopease.com.
